

## HAVAN MEDIA RELEASE

March 13, 2026

*For Immediate Release*

### 2026 HAVAN AWARDS FOR HOUSING EXCELLENCE FINALISTS REVEALED

**VANCOUVER:** Finalists of the Homebuilders Association Vancouver (HAVAN) Awards for Housing Excellence, presented by FortisBC, were revealed on Thursday, March 12, 2026, at Cosentino, Vancouver.

Celebrating the very best in new-home construction, renovation and design projects, the HAVAN Awards for Housing Excellence places a spotlight on the achievements of Metro Vancouver's homebuilding industry showcasing stunning custom-built homes and whole-home renovations, innovative multiplex and infill housing, and multi-family developments that continue to shape housing delivery across the region.

This year's finalists reflect the diversity of housing options emerging across Metro Vancouver. Alongside custom homes, renovations, and multi-family developments, the awards program introduces a new category recognizing modular and prefabricated housing.

HAVAN CEO Wendy McNeil notes, "The projects recognized this year demonstrate the extraordinary range of talent within Metro Vancouver's homebuilding industry. A new category for 2026 features modular and prefabricated housing, reflecting how our members continue to innovate and adapt. Approaches supported by building science and integrated design will play an important role in addressing our housing needs."

In its 17th year, the premier industry-recognized awards program employs a rigorous judging process. Finalists are selected by a peer-reviewed panel of award-winning builders, renovators, and designers from across Canada. Reflecting the region's housing marketplace, the finalists list serves as a trusted reference for homeowners exploring newly built homes or seeking professionals for new home construction or renovation projects across Metro Vancouver.

Winners of the HAVAN Awards for Housing Excellence will be announced at the Gala on Saturday, April 18, 2026, at The Westin Bayshore, Vancouver.

**A full list of finalists and photos of the projects are available at [HAVAN.ca/awards](https://HAVAN.ca/awards)**
